

About WECAN Food Basket

The WECAN Food Basket Society operates as a “warehouse without walls” – we buy all our food in bulk and distribute it to our community-based depots. Volunteers working with local churches, community center’s, social service agencies and daycares, staff the depots located throughout the greater Edmonton area. Once a month, volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, and take it to the depots. Our volunteers then count, sort and pack the baskets ready for pick up.

What do I get in a WECAN Food Basket Order?

Fresh food is the staple of any healthy diet. Our food basket offers 2 -3 cuts of freshly frozen meat, 3 types of fresh vegetables and 3 kinds of seasonal fruit every month, along with helpful recipes to prepare healthy meals.

Meat Orders are \$15 and produce orders are \$10; or a complete food basket of meat, vegetables and fruit is only 25.00

Objective

To relieve poverty by operating community based depots to address food security needs of families by providing quality food at a reasonable cost.

The Program

Members prepay for their food baskets by the first Friday of each month at their nearest depot. They then return to the depot on the third Thursday - for some depots it is the third Friday - of the month and pick up their food.

Volunteering
