At WECAN

we believe every person has the right to enough nutritious food to live a good and healthy life.

HOW IT WORKS?

Through the WECAN Food Basket Society program, individuals and households are able to purchase a food basket at the beginning of the month to ensure access to health food mid month when funds are low.

WECAN uses bulk buying to help make food baskets each month that help you save money on healthy food staples.

Together,
we can
ALL eat!
