Our Mission

The WECAN Food Basket Society provides families and individuals food security by giving them the opportunity to purchase nutritious food at an affordable price.

Let us Introduce Ourselves!

The WECAN Food Basket Society operates as a "warehouse without walls" – we buy all our food in bulk and distribute it to our community-based depots. Volunteers working with local churches, community centers, social service agencies and daycares, staff the depots located throughout the greater Edmonton area.

Members prepay for their food baskets by the first Friday of each month at their nearest depot. Then volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, in the third week of each month and take it to the depots. There, our volunteers count, sort and pack the baskets ready for pick up.

Fresh food is the staple of any healthy diet. Our food basket offers 2 -3 cuts of freshly- frozen meat, 3 types of fresh vegetables and 3 kinds of seasonal fruit every month. Members also receive our newsletter containing nutritional tips and helpful recipes to prepare healthy meals.

Meat Orders are \$15 and produce orders are \$10; or a complete food basket of meat, vegetables and fruit is only 25.00
