## How it works:

Members order their food basket/baskets by the

1<sup>st</sup> Friday of each month

(our order deadline – see calendar on back).

Members pick up their baskets on either the 3<sup>rd</sup> Thursday or Friday of each month depending on your depot.

Check your depot's pickup date and time on our website...

[www.wecanfood.com](http://www.wecanfood.com)

\*Orders not picked up are not refunded\*

## Together we can...

- Harness the power of bulk buying to make an abundant basket of food both affordable and accessible.
- Make healthy, fresh food available in neighbourhoods through the Greater Edmonton area.
- Bring together passionate volunteers and communities dedicated to food security for all!

## How does it work? Simple!

- A year's **MEMBERSHIP** is **\$5**.  
(Lasts from March to March the following year).
- A **PRODUCE BASKET/ORDER** is **\$15**  
(3 types of fruits, 3 types of vegetables)
- A **MEAT BASKET/ORDER** is **\$20** (2-3 fresh-frozen meats, with a no-pork option).
- Each month before or on '**ORDER DUE DAY**', members **ORDER** and **PREPAY** for their food baskets at their local depot with cash.
- Visit [www.wecanfood.com](http://www.wecanfood.com) to pay for a membership and order online.
- On '**PICKUP DAY**', two weeks later, members return to their depot to pickup their food!

## Benefits for pre-paying for your order:

- Leverages the purchasing power of bulk produce and meats
- Gives you a head-start on your meal planning.
- Ensures your access to quality food later in the month.
- Helps you plan your grocery list knowing there will be meats and produce in your refrigerator.
